SUPPLYLINK 2013: INTERNATIONAL CONFERENCE AND EXHIBIT 6 – 7 March 2013

Los Angeles, 25 October 2012 – The Philippine Institute for Supply Management (PISM) will be holding SUPPLYLINK 2013: International Conference and Exhibit on 6 – 7 March 2013 at SMX Convention Center, Pasay City, Philippines.

SUPPLYLINK 2013 will gather the leading Supply Management executives and practitioners in the country and abroad. It aims to provide a forum where leaders in the Supply Management profession can exchange best practices, share success stories, and tackle relevant issues impacting their respective businesses.

All information on the event may be downloaded from the conference website: <http://pism.org/supplylink/>.
